### **Are you...**

- willing to commit seven weeks to learning new ideas, skills, and resources, including an opportunity to grow in your relationship with God?
- one of the millions of working families who just can't seem to get ahead?
- ready to try something new, working with others in similar situations who are also motivated to become self-sufficient?

**IF YOU ANSWERED "YES" TO THESE QUESTIONS, YOU COULD BE READY TO JOIN US IN A PARTNERSHIP TO IMPROVE YOUR FINANCIAL SITUATION, WHILE NURTURING YOUR SPIRIT.**

Neighbor To Neighbor, a program designed and facilitated by Catholic Charities, is a challenging, innovative curriculum with a strong concentration on goal-setting.

**In this seven-week course you will take a serious look at how money impacts your life.**

Neighbor To Neighbor looks at the whole person, in relation to family income and expenses.

God wants us to be successful, responsible neighbors for each other. He has given us gifts, talents and each other to help us along in our life journey.

Financial incentives and other useful rewards are available for persons committed to the Neighbor To Neighbor program.

All people are welcome to apply. If you are not a person of faith, we will work with what is important in your life to help you move forward.

### **Neighbor To Neighbor is...**

- for individuals who earn 100% of their income through EMPLOYMENT.
- a program of PERSONAL CHANGE.
- a FAITH-BASED JOURNEY toward self-sufficiency.
- a POSITIVE, ENJOYABLE group process.

### **Neighbor To Neighbor is not...**

- for persons on a fixed income, like disability or retirement.
- a quick fix.
- the answer to everybody's problems.
